PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT
PURSUANT TO 37 CFR 1.181

To the Commissioner for Patents:

Applicant received a Notice of Abandonment dated December 1, 2006 for the above-referenced application. A copy of the Notice is enclosed herewith. The Notice of Abandonment indicated that the application became abandoned for "failure to timely file a proper reply to the Office letter mailed on December 2, 2004." However, Applicant did not receive the Office Action mailed on December 2, 2004. Thus, Applicant hereby petitions the Commissioner to withdraw the holding of abandonment of the current application and re-issue the Office Action originally mailed on December 2, 2004.

In support of this petition, Applicant is enclosing herewith a print-out of its docket records for this file. As can be seen from this print-out there was no docketing of any action mailed on December 2, 2004, which would have had a three-month response date of March 2, 2004 and a six-month response date of June 2, 2004.

Applicant is also enclosing a print-outs of the docket record for its attorney from February 22, 2004 to March 12, 2004 (the period ten days prior to the three-month response date to ten days after the three-month response date) and from May 23, 2004 to June 12, 2004 (the period from ten days prior to the due date to ten days after the due date) to show all responses due by Applicant's attorneys' firm on and around the three month due date of March 2, 2004 and the six-month due date of June 2, 2004. It is noted that these docket records indicate that the Office Action dated December 2, 2004 for the above-referenced application was not received.

Applicant is also enclosing a copy of the cover of its file jacket for this application, which reflects the docketing for this application. Had the Office Action of December 2, 2004 been received by the Applicant, the docketing records on the Applicant's file jacket would reflect docketing for a response due three months from the mailing date of the Office Action (namely, March 2, 2004) and six months from the mailing date of the Office Action (namely June 2, 2004). As can be seen, no such docketing was done for this application.

Also enclosed herewith is a statement by Applicant's undersigned attorney in support of the current petition.

In view of the foregoing, it is respectfully requested that the current application be reinstated and the Office Action originally mailed on December 2, 2004 be re-issued and the response time for such Office Action re-set.

It is believed that no fee is due with this petition. However, if any fees are due with this paper, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-1290.

Please direct any inquiries regarding this petition to the Applicant's undersigned attorney, who may be reached directly by telephone at (212)940-8712.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Linda S. Chan', written over a horizontal line.
